

Precious Afolabi

Freelance Nordic localization specialist

London | Working worldwide | 9+ years of experience

LANGUAGE PAIRS

English and Norwegian | English and Danish | Norwegian and Danish. Services available in both directions. Native Norwegian, near-native Danish and fluent English.

SERVICES

Translation, localization, revision, machine translation post-editing (MTPE), linguistic quality assurance (LQA), subtitling, transcription and desktop publishing (DTP).

SPECIALIST CONTENT

Technical and engineering documentation, medical devices, software and gaming, legal documents and marketing content.

TOOLS & WORKFLOW

Trados Studio, memoQ, Phrase, XTM Cloud, Smartcat and Xbench. I work with your terminology, references and style guide, raise focused queries, and check meaning, numbers, units, tags and formatting before handover.

START A PROJECT

Send your language pair, service, content type, approximate volume, source files and deadline with its time zone. Scope, rate, availability and delivery format are agreed before work begins.
